Description: From the illustrator of the #1 smash hit *The Day The Crayons Quit* comes a humorously warm tale of friendship. Now also an animated TV special! What is a boy to do when a lost penguin shows up at his door? Find out where it comes from, of course, and return it. But the journey to the South Pole is long and difficult in the boy's rowboat. There are storms...

Review: This book has great illustrations and the story line is very cute. I read this story to my PreK class (who are honest with their opinion on any book I read) and they LOVED it. A few have even come to me, days later, and have asked if I could read it again. 5 stars. Keeping the troops entertained!...
